

3.5" PORTABLE DVB-T TV

Introduction

Portable and small, the Typhoon 3.5" Portable DVB-T TV allows you to watch and enjoy digital TV in any place and on the move.

With 3.5" colour LCD and speaker, it allows you to watch programs directly from your hands. Auto scan the channels and preview in 9 channels quick views. Built with rechargeable battery and easy to carry around. Comes with remote control for full function controls and interfaces to view on your TV.

Features

- Portable 3.5" LCD DVB-T TV with telescopic antenna
- DVB-T standards and decodes MPEG II MP @ ML formats
- Built-in speaker with 3.5mm stereo output
- A/V output connection to TV
- Universal power adapter, switching type 100-240V AC battery
- Built-in rechargeable Lithium battery
- Supports NTSC / PAL TV system
- Includes remote control with full channel and scanning functions
- Comes with EPG and auto scan functions with 9 channel previews

Specifications

- DVB-T standards
- Antenna: Passive antenna
- Tuner input:
 - Frequency range: 145.1MHz ~ 862 MHz
 - RF input impedance: 50 Ohm
 - Channel bandwidth: 6/7/8 MHz
 - RF input connector type: F-type
 - Input signal range: Better than -88dBm
- Demodulator:
 - FFT mode: 2K/8K
 - Modulation: QPSK, 16-QAM, and 64QAM
 - Guard interval: 1/32, 1/16, 1/8, 1/4
 - Code rate: 1/2, 2/3, 3/4, 5/6, 7/8

- Video:
 - Video decoding: MPEG II MP @ ML
 - Video output format: 720x576 (PAL) / 720x480 (NTSC)
- Audio:
 - Audio decoding: MPEG II, Layer I/II
 - Sampling frequency: 32K / 44.1K / 48KHz
 - Audio output: Stereo / mono-left / mono-right
- Power:
 - Input voltage: 6V ~ 10V DC
- Software feature:
 - Multi language: English / German / French / Portuguese / Spanish / Italian / Dutch
- Auto channel search, EPG - Electronic Program Guide, Digest - 9 channel preview, Music channel, Teletext
- I/O interface:
 - CVBS video output: 1 CVBS video out, and one audio (L/R) out (3.5mm Ø)
 - Audio output: Stereo Audio out (3.5mm Ø)
 - Speaker output: Support stereo speakers output maximum (4 ohm, 0.5W, using 2.0mm wafer)
- Infrared remote control with 6 keys keypad: (Ch+, Ch-, Vol+, Vol-, Menu, Mute)
- Power: 100 - 240 V AC adapter
- Battery: Li-ion battery - 7.4V 1500mA
- Power Slide Switch: Slide Switch for Power On/Off
- Dimension: 134 mm (W) x 24mm (D) x 85 mm (H)

System Requirements

- DVB-T broadcast in area of use
- Power supply of 100 - 240 V AC
